<u>Feedback</u>	
1	There are still grey areas about the installation and it takes precious time. Students grouped together find it easy but for students working alone this is a problem.

2 Workload of assignments eats up a lot of time and leaves less for other courses.

1 PG students should be allowed to do the assignments in groups, the same way UG students are allowed.

2 Assignments should be done in a group of 2 even for PG students.
